GIANCARLO BOSIO & CENTRO RICERCHE GIORGETTI 2019

Lampada da tavolo, da sospensione e chandelier con struttura leggera in metallo brunito che sostiene lastre in vetro colato a forte spessore con superficie martellata. La posizione scelta per gli elementi di vetro crea angolature irregolari. È disponibile in vetro trasparente o fumé.

Diffusore dotato di lampada LED con luce calda dimmerabile, in tensione di rete.

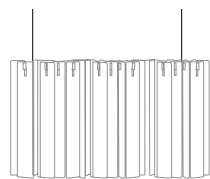

Floor, table and suspended lamp with light structure in burnished metal supporting cast glass sheets with a strong thickness with hammered surface. The position chosen for the glass elements creates irregular angles. Available in clear or smoky glass. The diffuser has a LED lamp with dimmable warm light and line voltage.
